## Watch and pocket watches Repair

### Adults and children watches (not mechanical)

Battery replacement service

**Service:** inc regreased (silicon grease) gaskets/rubber & general clean

Please note: that after seal/gasket is removed or replaced the watch will not be water proof just dust proof

**Watch strap fitting service:** if we supply & fit strap cost is dependent on cost of strap, (customer can advise on color choice)

Strap adjustment & link removal:

Extra watch strap holes: **free**

If on inspection we are unable to repair your watch, we will contact you

A small charge will be made if you want your watch delivered

All watch batteries are guaranteed for **6 months** with free replacement during the guarantee period, after this period replacements batteries there will be a charge:

If you have any old/none working watches lying about that you no longer need could you donate them to us they can be used for spares or upcycling

Many thanks
